"Are you acquainted with my daugh-

"Not in the least."
"How then do you know that you can't live without her?" loudly, they giggle. In fact nothing is her lots of money when she married, accidents before the Queen's printer boy too small or insignificant to arrest their notice and produce a giggle. And the Lean't live without her—or some other woman who has got money to support a husband.'-|Siftings.

In the November Century Albert Where the welcomed snow-drop peeping Glowed in lavish loveliness; Everywhere in dale and wood O'er blighted bloom and withered bud. While the gray cloud o'er them grieves, Gather fast the falling leaves.

Where young pulses sprang to life; Where the bold will dared the strife;

Where sweet first love, trembling shrinking, Present, Past, and Future linking. Wrapt two hearts in fairy dreams; Where a true soul's noble schemes Soared to happy thoughts of giving To the poer and lowly living; Where in the dazzling distance showing In fancy richest boons bestowing. Luring youth o'er gulf and bar, Fame's proud shrine shone fair and far While Fate looks on, and Time bereaves Hopes fall as falling leaves.

Yet 'neath each russet rustling heap, Roots form fast, and blossoms sleep, Sheltered in the kindly mold. From the bitter, biting cold, All the flowers we prize so well. Hide till April breaks the spell, So, oh weary heart and hand, Mourning for the changed or dead, Trust and wait. Our Master's rhyme Says, "My faith is large in time;" To some benignant purpose yet Patience her perfect end achieves; Trust in the life beneath the leaves. -All the Year Round

SOME ACCIDENTS OF HISTORY A Chapter of Trifles Which Have Determined Great Events.

which never took place, and Lord Balearned essay on history which might have been enacted. An equally curious but a trifle which gave Spain for so degrees long. Koran of the Mohammedans, the Tri many generations the lordship of the on in Europe. It is well known that the most recent of these, dating about Columbus, dispirited by the refusals bright that it was seen in Southern Euthe seventh century after Christ. Sayings of George Eliot. 1680-There was a comet with a tail

Trouble's easy borne when everything

It's easy finding reasons, why why other people should be patient. As for age, what that's worth depends on the quality of the liquor. Genius at first is little more than a great capacity for receiving discipline.

Blows are sarousm turned stupid; wit is a form of force that leaves the limbs at rest. There is no sorrow greater than to

Ignorance is not so damnable as bum bug, but when it prescribes pills it may happen to do more harm.

It's an uncommon fine thing when you can let a man know just what you think of him without paying for it. There is a sort of human paste that, when it comes near the fire of enthusi-

asm, is only baked in harder shape. It's allays the way wi' them meek faced people; you may as well pelt a bag of feathers as to talk to them. Colleges mostly make people like bladders, just good for nothing but to

Every man's work pursued steadily bridge over the loyeless chasms of his No story is the same to us after the lapse of time; or, rather, we who read are no longer the same interpreters. It is difficult to be learned; it seems as

f people were worn out on the way to great thoughts, and can never enjoy Life is so complicated a game that the devices of skill are liable to be defeated at every turn by air-blown chances, in calculable as the descent of the thistle

down. Wordly faces never look so worldly as at a funeral. They have the same effect on grating incongruity as the sound of a coarse voice breaking the solemn

stillness of the night. After all the talk of scholars there are one where men show their tongues and lick the feet of the strongest.

The want of the age-to get rich with-

Marriage, except with a widow, is al-Mrs. A. T. Stewart, of New York, owns real estate estimated to be worth \$20,-

The Ohio man has been suo he man whom so many pers
